Cybocephalus californicus feeding on
 Scale insects in Cal. (Mr. Sarscer). Specimens
 named and kept
- 31/ Letter from Carl F. Gronemann, March 10, '14
 Elgin, Ills. with sketches of Insects.
 Sketches identified; list made out
 and sketches returned. Slip dated
 March 9, 1914
- 32/ Slip dated March 16, 1914 Specimens March 17, '14
 from H. B. Scammell for A. L. Quaintance
 Specimens named and returned
- 33/ Slip dated March 13th. Coleoptera (not
 numbered) collected by Frank H. Meyer
 in China
- 34/ Slip dated March 17, 1914 Bruchid March 18, '14
 from Palm seeds from Rio Janeiro, Brazil.
 = *Caryoborus batrix*. Specimens
 kept
- 35/ Slip, March 17. Letter and specimens March 18, '14
 from W. Hewell, College Station, Tex March 18, 1914
 = *Euphyidion incertum*. Specimens kept

- 36/ Slip March 17 from F. M. Webster March 18, '14
Trichobasis macorea Lec. Specimens
 returned.
- 37/ Slip March 20. Letter and March 20, '14
 specimens (*Pygella buxi*) from
 A. J. Bourne (March 18) Specimens
 and letter returned
- 38/ Slip March 20 '14. No letter. Beetle March 20 '14
 "collected in stock imported from
 Holland" H. B. Weiss, collector. *Peromia*
vulgaris Linn. Slip and specimen
 returned.
- 39/ Slip March 16. 3 Species of Coleoptera March 20 '14
 from Brownville, Tex, Mr. Chittenden.
 3 *Bruchus 4-dentatus* retained, the rest
 returned.
- 40/ Slip March 21, Arizona Coleoptera March 23, '14
 from F. M. Webster for determinations
 Specimens named, (list attached) and returned; 1 retained
- 41/ No Slip. Two beetles, *Strategus* March 21 '14
anachorita and *Hyperaspis*
maculatus from Dr. Chittenden for
 determination

42/ Slip March 21, 1914 Letter and March 24, '14
specimen of larva of *Telephorus bilineatus*
from V. A. E. Daseke, Harrisburg, dated
March 20th '14. Memorandum for reply
and specimen returned.

43/ Slip March 16, '14. Staphylinidae for March 25, '14
determination from Broq. Germain,
Ottawa, Can. with letter March 18, 1914
Specimens named and returned. List
and memorandum for reply attached

44/ Slip dated March 25th referring to March 26, '14
Museum material of Buprestid larvae sent
and requested by Mr. Burke (Dr. Hopkins)

45/ Slip, March 27 One specimen No. 8716 March 27, '14
(*Dorytomus* ~~crassatorus~~). Specimen
returned

46/ Slip dated March 26, '14 Letter and
specimens (*Scymnus* sp) from Harry S. Smith,
Sacramento Cal, dated March 18

47/ Slip, March 30, 1914. Letter and specimens March 31, '14
sent by Prof. R. W. Harned, Agr. Coll., Miss.
Hodonota tristis & *H. clypealis*. Memorandum
for reply and specimens returned
